

Fourth Precinct ~ MStat Week 95

Auto Theft – Open Ignition

Synopsis:

- Since the beginning of November 2017, there have been approximately 35 stolen vehicles due to open ignition throughout the Fourth Precinct.
- The Jordan and Lind-Bohanon neighborhoods have had the most incidents, each with five.
- Peak times for incidents in both the Jordan and Lind-Bohanon neighborhoods are early morning hours (0430-0930 hours) and later in the evening (1845-2200 hours).
- Precinct-wide, Friday, Saturday, and Sunday have had the most incidents.
- Peak time for all incidents Precinct-wide is from 0800-0900 hours, 1100 hours, and within the 2000 hour.
- Incidents peaked on Saturday with 10. Times on Saturday peaked within the 1100 and 2000 hour ranges, but were steady throughout the early afternoon and from 2000-2200 hours.
- Several of the incidents throughout the middle of the precinct are within the year to date auto theft hot spots.
