## Statement regarding Patrick Henry High School

Northside family: Our children are our most precious asset and nothing is more concerning than fearing they are in danger especially in the wake of Florida.

Yesterday, PHHS had a report of someone entering the school with a gun. The school went on lock down and students were evacuated to safety. SWAT combed the building but a suspect was not found. Cameras showed the suspect leaving shortly after entering.

I went to the school to assist and be a support to the community. I also ensured we had professionals on site to deal with the immediate impact of the traumatic experience.

While there was no one hurt physically, the emotional needs of our students, faculty, families, and community is a priority for this office.

I will continue to keep you informed and work with my fellow elected officials to determine our next steps.

Please call my office if you have questions or need support resources. [612 673 2204](tel:6126732204).

Anyone with information is encouraged to call CrimeStoppers at 1-800-222-TIPS (8477).

In solidarity,

CM Cunningham
